Solve Legal Problems

Solve Problems brings together resources around a certain legal topic. Select a topic to start your search and use the filters to narrow your results by other topics, language, format, and more to create a curated list of helpful legal resources.

HelpMap brings it closer to home

Once you've narrowed your topic, the HelpMap allows you to see the relevant resources available in your city or town.

These are free and low-cost services including: legal advice clinics, court form clinics, Justice Access Centres, Family Justice Centres, information programs, counsel-ling, and government services.
